#### **A. Course purpose and overview:**

The main objective of the Mitkadmim B course is to improve students' reading comprehension of academic texts. To this end, a variety of reading and language skills are taught and practiced throughout the course (see below). In addition to intensive reading, global reading techniques are emphasized to enable students to deal efficiently with large quantities of academic material. In addition, speaking, listening, and writing are integrated into the class sessions and assignments to develop effective communication skills.

#### **B. Teaching techniques, technology use, guest speakers:**

- ✓ Frontal lectures
- ✓ Pair/group work
- ✓ Class discussions
- ✓ Moodle assignments (e.g. forum discussions, recordings, online quizzes, videos)
- ✓ Internet use: videos, supplementary material (in class/homework)
- ✓ Interactive class activities using mobile technologies

#### **C. Language Skills and Strategies:**

Below is a list of the reading and language skills and strategies practiced and taught in the course. The various components are taught and applied alone and in combination as needed (i.e. a skill/strategy may be taught in a focused lesson by itself, and then applied to various readings).

- ✓ Identifying various types of academic articles
- ✓ Pre-reading / Surveying / Predicting
- ✓ Reading introductions and conclusions to extract main idea, purpose, question and/or conclusion of texts
- ✓ Skimming long texts to search for information and/or to get the gist
- ✓ Paragraph structure (identifying main ideas and supporting details)
- ✓ Empirical research articles: structure and contents
- ✓ Summary and response writing
- ✓ Drawing inferences based on textual information and background knowledge
- ✓ Distinguishing between facts and opinions

- ✓ Meta-cognitive awareness of reading strategies and processes
- ✓ Reading fluency and speed
- ✓ Academic vocabulary
- ✓ Speaking and listening practice
- ✓ Writing answers, responses, and summaries

In addition, relevant skills from Mitkadmim A are briefly reviewed and practiced throughout the course as needed. These may include:

- ✓ Vocabulary skills (e.g. guessing meanings from context, affixes)
- ✓ Sentence structure (nominal phrases, simple, compound, and complex sentences)
- ✓ References and ellipsis
- ✓ Transitions and organizational markers

Reading selections are chosen from a collection of authentic academic texts taken from a variety of sources, including college textbooks and academic journals.
